Federal Bureau of Investigation

DATE: JUN 21 1979

FEDERAL GOVERNMENT

FROM : Robert L. Keuch
Special Counsel to the Attorney General

RLK:mal

SUBJECT: House ~~Select Committee on Assassinations~~ -
Claim of General Edwin A. Walker

I have received the attached letter from the legal counsel for former General Walker concerning allegations that the bullet fragments examined by the Select Committee which were reportedly fragments of the bullet fired at Walker, could not in fact be such fragments.

I would appreciate any information which can be provided that would enable me to provide a response to General Walker's counsel.
